At Hi5Cars, we know just how scary and emotional the process of purchasing a pre-owned car is. You want to make sure that you choose the perfect car for your family and you want to know that the car is reliable and functional. We have all heard those horror stories about how someone purchases a used car and then it quits on them about a month later and they have an outstanding loan on it. That will NEVER happen when you choose one of our pre-owned cars in NY.

Our used cars for sale in NY come with a warranty when you purchase them, and you can even purchase an extended warranty for the life of your vehicle. This extended warranty will ensure that any problems that arise with your vehicle are fixed quickly and dependably.

When you purchase a pre-owned car from us, you will know that you are getting a good used car. We detail the interior and exterior and provide you with a Carfax report that will explain any issues the car may have encountered previously. Our cars feature clean Carfax reports and you can view the maintenance schedules and what services were provided on the car and when.

We take your safety and the safety of your family very seriously, so you can trust our pre-owned cars. Call Hi5Cars today or stop by our lot to test drive one of our premium cars. We welcome buyers to our Far Rockaway used car dealership.
